Message from the Headteacher

Dear Parents and Carers,

We have had an amazing week celebrating World Book Day. Thank you so much to all of the children and staff for the effort they have put into their costumes for today. Everyone looked fantastic. Please see our attached special newsletter showing what we have been up to this week.

For the first time this year, we had 100% attendance at school on Wednesday afternoon, which is fantastic. Thank you for your help with helping us to achieve our attendance target.

In the last week of this term the children will be participating in a whole school Easter RE day. To make this event a success we are looking for donations of the following items:

- Clean, clear jars e.g. jam jars,
- Egg boxes

We do need lots of each item so if you are able to donate any of these items we would be so grateful. Please hand them in at the school office.

With kind regards,

Have a lovely weekend,
Ms Wright

After School Clubs

If you haven't done so already, please can all those who have booked places in After School Clubs, please make payment in full by 5.30pm on Monday 11th March? Places will not be kept open beyond this date. Please note that a number of clubs are already full and non-payment may result in places being offered to those on the waiting lists. Thank you

Parking

We understand that parking in the vicinity of the school can often be problematic, particularly at school pick up and drop off times. However, in the interests of health and safety and security, please do not use the staff car park; this can only be used by staff and other authorised users on official business with the school.

Thank you for your understanding with this.

School Fund

As the school year is now over half way through, we would like to remind those that have not yet paid the school fund to do so as soon as possible. This is £21 per family per year. This fund goes towards subsidising the cost of school trips and visits, gifts for the children and other events such as the pantomime, which the school could otherwise not afford to do. Thank you

Attendance

Thank you all for your help with the school trying to achieve it's annual attendance target of 96.5%. For this academic year so far, our whole school attendance figure is 96% so we still have a little way to go, but with all of your help we know we can achieve our target.

Our next Attendance Challenge Weeks commence on Monday 18th March and run for three weeks. The winning class will win a trip the cinema for a private screening of a film of their choice with drinks and snack boxes.
