Spring Term 2020

A note from the chair,

With 2020 in full swing, the PTFA is busy planning events for the remainder of the school year.

Thank you to all the families that bought tickets and who joined in the dancing and games at the Christmas party. It was a great success and everybody enjoyed themselves.

We have moved the PTFA meetings to the first THURSDAY of each month. The next meetings will be the 5th March and 2nd April. Our uniform sales continue to be at 8.30 and 3.15 on those dates, weather permitting. All items are £1 and all donations of good quality used uniform are welcome.

We are always happy to have new members on the PTFA. With several events coming up, any help, however small is greatly appreciated. If you would like to be added to the mailing list or want more information please email us.

book week & book swap 2nd to 6th March

This year we will be doing a daily book swap again. We have been very busy writing letters and rounding up donations of books to ensure we have a good stock to start with.

Many thanks to Walker books, Penguin Books, Foyles, Waterstones and Book Works who have all donated so far.

Bring a book, and swap it for a different one.

We have also chosen to fund a professional story teller from littlesupernovas.com to come & run age appropriate interactive storytelling sessions to each class.

rainy day games

We are putting together a wet play games boxes for each KS1 and KS2.

This will include various card games that can be played by children, as a fun alternative activity to enjoy when the weather stops them playing outside.

Each box will contain games such as Uno, Go Fish, Dobble, Snap, Dominoes, Top Trumps and several packs of cards.
