Sports Premium Funding Report

Review Date: September 2018
Next Review Date: September 2019

Primary Sport Premium Expenditure Report for Parents

The Government is providing funding of £150 million per annum to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all children.

The sport funding can only be spent on sport and PE provision in schools. Funding for schools is calculated by the number of primary-aged pupils, (between 5 and 11).

Purpose of Funding

Schools have to spend the sport funding on improving their provision of PE and sport, but they have the freedom to choose how they do this.

Possible uses for the funding include;

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- New or additional Change4Life sports clubs
- Paying for professional development opportunities in PE/ sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in school games
- Buying quality assured professional development modules or materials for PE/sport
- Providing places for pupils on after school sports clubs and holiday clubs

Funding at Stepney Greencoat Primary School

For the academic year 2017-2018 Stepney Greencoat Primary School received £13,961 sports funding.

Nature of Sport
Curriculum Enrichment and Training Contributing to the continued provision of lunchtime coaching sessions Contribution towards swimming lessons across school Attending sports competitions and staff cover costs

Curriculum Focus of Primary sports premium spending
Stepney Greencoat has a long tradition of supporting and participating in sport and PE activities, and encouraging a healthy lifestyle for all our children. The additional PE/sport funding will enable us to develop this further and protect current levels of provision. The designated PE curriculum leader has introduced a house system to acknowledge and reward sporting achievement.

Learning Together for Life

Jesus said, 'Love one another as I have loved you' (New Testament/Injil, John 15:12)

The PE action plan includes participating in a number of inter school competitions.

Measuring the impact of Primary sports premium spending

The school evaluates the impact of provision at the end of each term and finally at the end of the academic year. Groups and individual pupils receive targeted support to raise their sporting achievement.

PE lessons are monitored as part of the whole school monitoring policy.
